- Draft research reports, briefs, and interim findings for stakeholders.

#### RANDOM GD

MW

2022 - 2025 ***SME Startup - Vocational skills Training, Retail, Consumer Services***

- Launched small/mid-sized startup in 2 lines of business: 1) Beauty products (procured from China) 2) Cosmetology vocational skills training center for girls in Malawi, with intent to develop and create vocational job opportunities.
- Supply Chain management: Sourced beauty products and fashion accessories for resale, negotiated pricing and facilitated shipments to Malawi on a monthly basis.
- Training & Skills Development: worked in partnership with my trainer as an assistant instructor and later started providing trainings as part of my Beauty Salon Services.

- Managed Financial Records from day to day book keeping records to final statements for accounting and taxation purposes

2018 – 2020 **WORLD RELIEF MALAWI**

*Finance & Accounting – Assistant Accountant, Non-Governmental Organization (NGO)*

MW

- Managed financial operations for a community-development and economic-empowerment project preventing under-five malnutrition through caregiver dietary training, food-prep classes, backyard gardening, small-livestock rearing, and community savings groups.
- Assisted in the Annual Organizational Budget Preparation, ensuring 95% accuracy in budget forecasting, resulting in minimal variance between projected and actual expenses.
- Responsible for tracking and reconciling budgets, managing petty cash, and performing cash and bank reconciliations, achieving a zero discrepancy rate. Captured Data into QuickBooks Database on a Monthly basis, maintaining a 99% accuracy rate for financial data entry.
- Collaborated with Internal Audit Team, ensuring compliance with financial regulations, grant requirements, and organizational policies, earning 100% unqualified audit opinions from external Auditors.

2017 – 2018 **POLYMED SACCO**

*Finance & Accounting – Assistant Finance Officer, Micro-Finance*

MW

- Supported day to day administrative and financial processes at PolyMed SACCO, a member-owned microfinance Institution that promotes savings, delivers financial literacy programs, and supports members' financial stability and small business growth through access to loans.
- Managed a MWK 2 million cash float and served as cashier; processed SACCO member loan payments within ≤2 working days 90% of the time, improving customer satisfaction; and filed PAYE tax returns on time, maintaining a 0% penalty rate.
